

### Creating value through Renovation E2579

During the course of this presentation the REALTOR will be learn how to counsel their clients on the benefits of Renovation financing for purchase or to get a home ready for the market to optimize their client's sales potential. Additionally, this will help REALTORS market distressed properties to the general public VS investors, thus revitalizing older neighborhoods and communities for individual home ownership. The course will cover Conventional, FHA, VA and RD renovation loans.

Instructor Carol Jordan, CMP, Fairway Independent Mortgage.
